## WE LOVE PHO!

---

We love Pho because of its alluring aroma, delicious taste and highly nutritious ingredients; plus it's Vietnam's national dish and is famous all over the world.

Our mission at Pho Le is to share our tasty noodle soups, healthy rice dishes and other gourmet entrées in a comfortable and casual environment.

## PHO GARNISHING TIPS

---

Bean Sprouts are put in raw for crunch factor. Add a little at a time to maintain the crunchiness as you eat.

Dipping the sliced chili in the hot broth releases the oil and makes the broth taste spicier.

Lime juice adds tartness to the broth, which is good if the broth tastes too salty or too sweet for you.
